

VARD 7 078 OPV
Offshore Patrol Vessel

- The VARD 7 078 is a Multi-Purpose Offshore Patrol Vessel with an operationally flexible platform that is capable of a full range of naval missions. With a modular mission payload, space is optimized so client requirements can be met. The flexible mission bay can accommodate up to three 12m boats and up to four standard ISO containers (two on either side of the stern-ramp).
