– The VARD 7 125 is a multi-purpose patrol vessel designed to enhance and maintain comprehensive defence capabilities, provide maritime strike and interdiction support, perform EEZ patrol, and aid in humanitarian assistance operations. The vessel's hullform offers high speed and significant range for operational versatility along with excellent seakeeping characteristics for a safe, efficient passage.

Large open deck areas on each side of the vessel provide secure stowage for two 11 m RHIBs. Aviation facilities include a flight deck and hangar, each capable of handling one medium lift helicopter. Expansive medical facilities are readily accessible from the flight and boat decks. Substantial internal area is dedicated to configurable offices and operations areas to support missions. Twin engine rooms provide system redundancy and multiple armament installations ensure ample protection
